FÓRUM AMBIENTAL DA PETROBRAS NA BAIXADA SANTISTA

Proteção dos Oceanos e Rios

PRESENÇA DE AVES MIGRATÓRIAS NA COSTA BRASILEIRA REGISTRADAS NO PMP-BS

*Dr. Henrique Chupil - Instituto de Pesquisas
Cananéia (IPeC)*

Introdução

- **Aves**
- Mundo: 11.000 sp (Birdlife International 2018)
18.000 sp (AMNH 2016)
- Brasil: 1919 sp (CBRO 2015)
- **Por que migrar?**

Visitantes

Migratórias

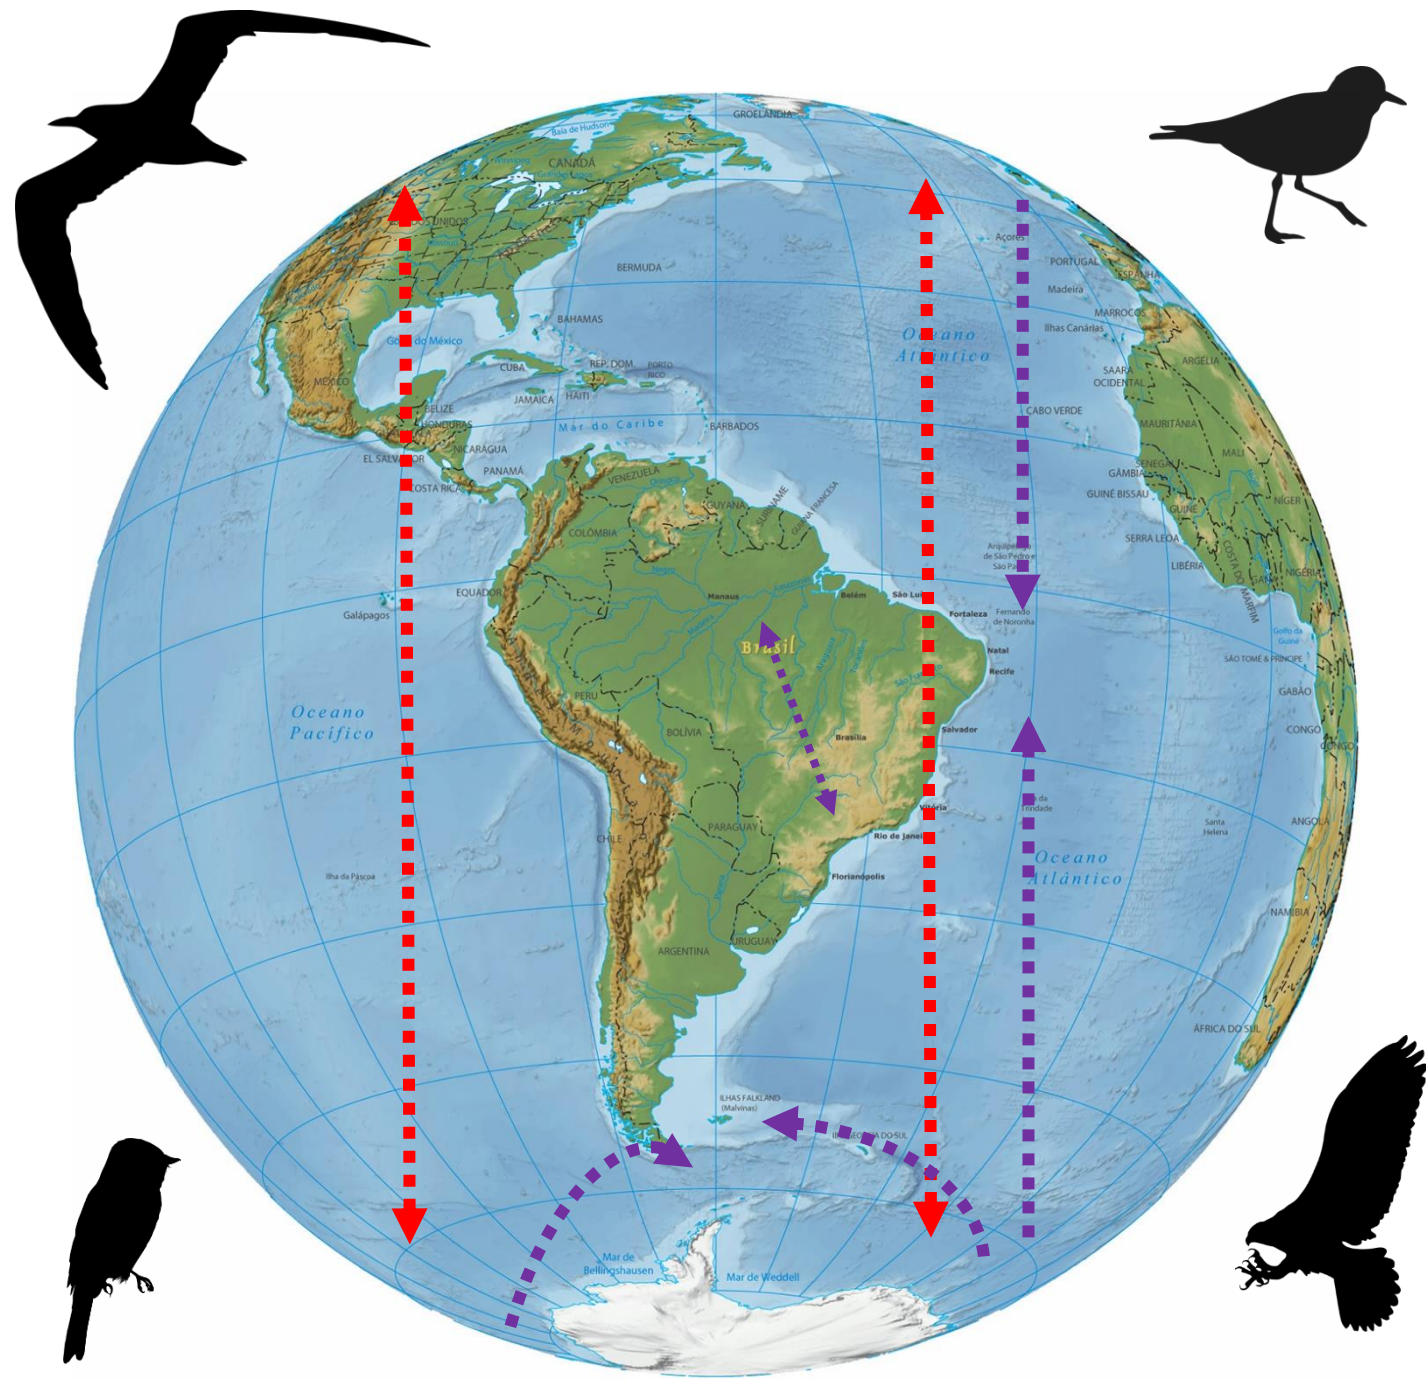

Introdução

- Tipos de Migração:

Transequatorial

Latitudinal

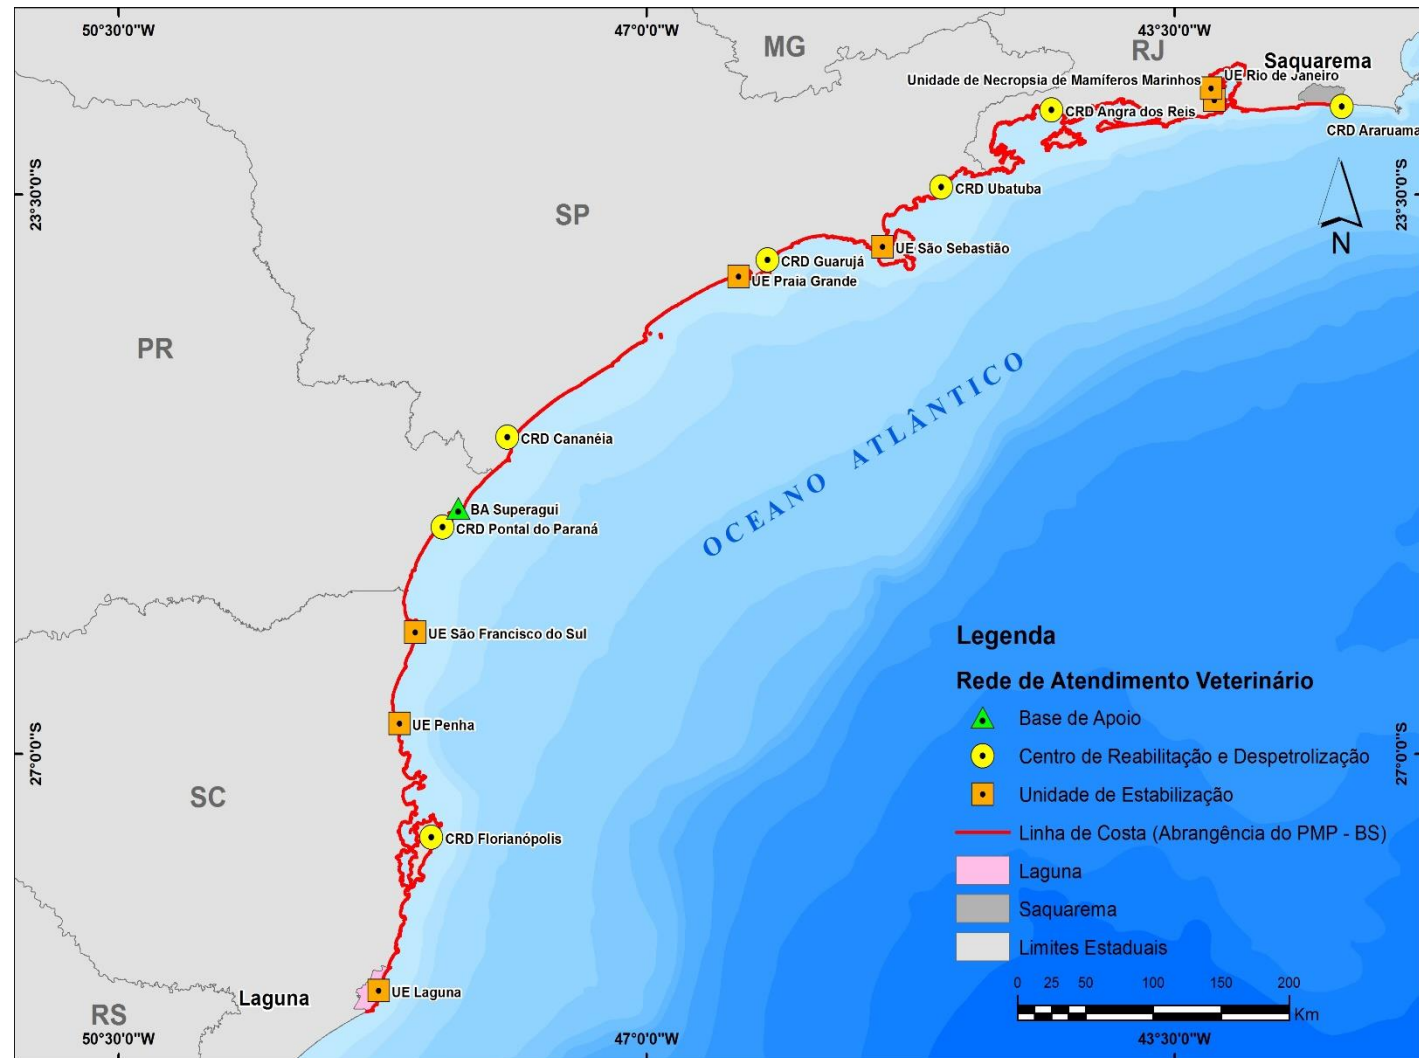

Conjunto de dados

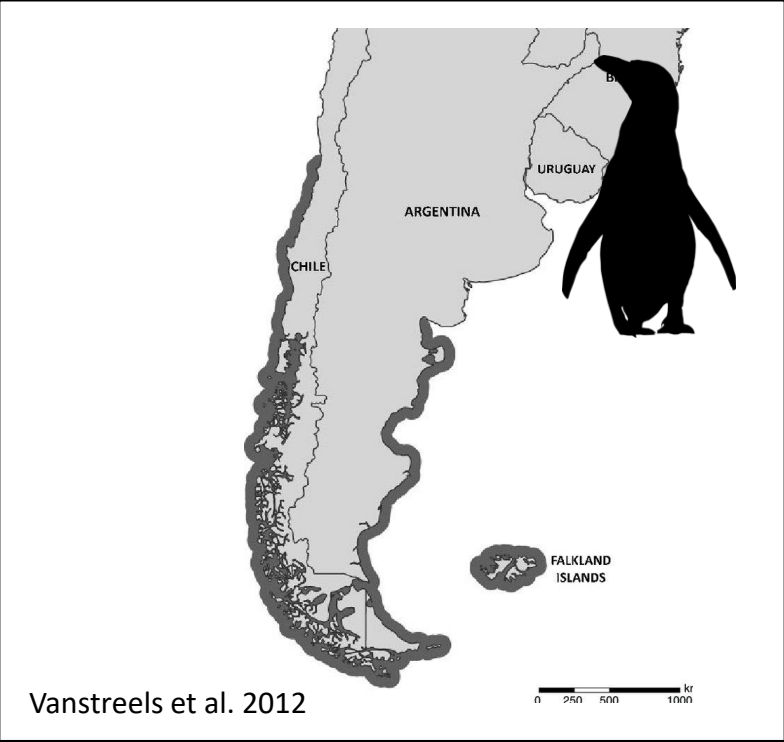

- Dados de agosto de 2015 a Fevereiro de 2020
- Registrados 42.161 indivíduos
- 81 espécies

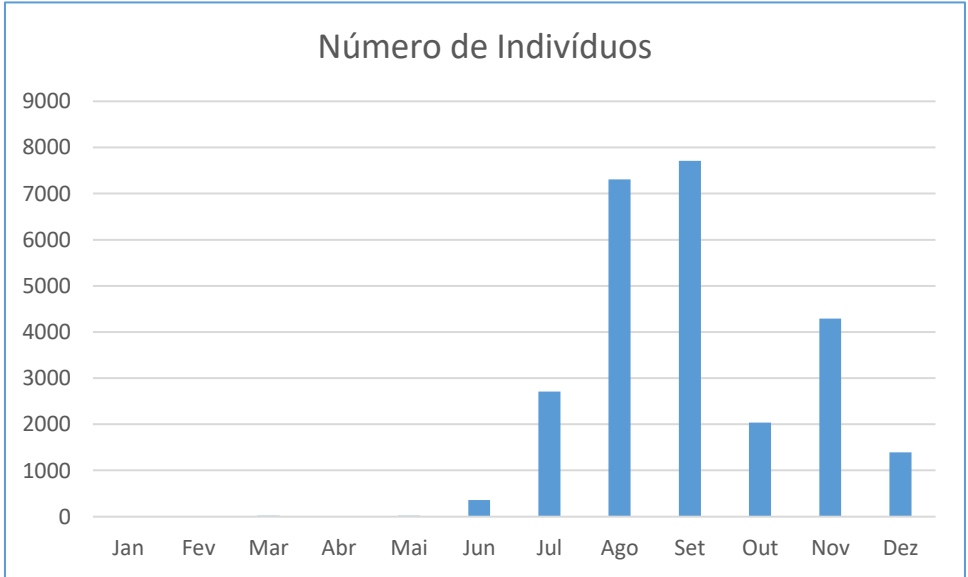

- Migratórias e visitantes:
- 29.989 indivíduos
- 45 espécies

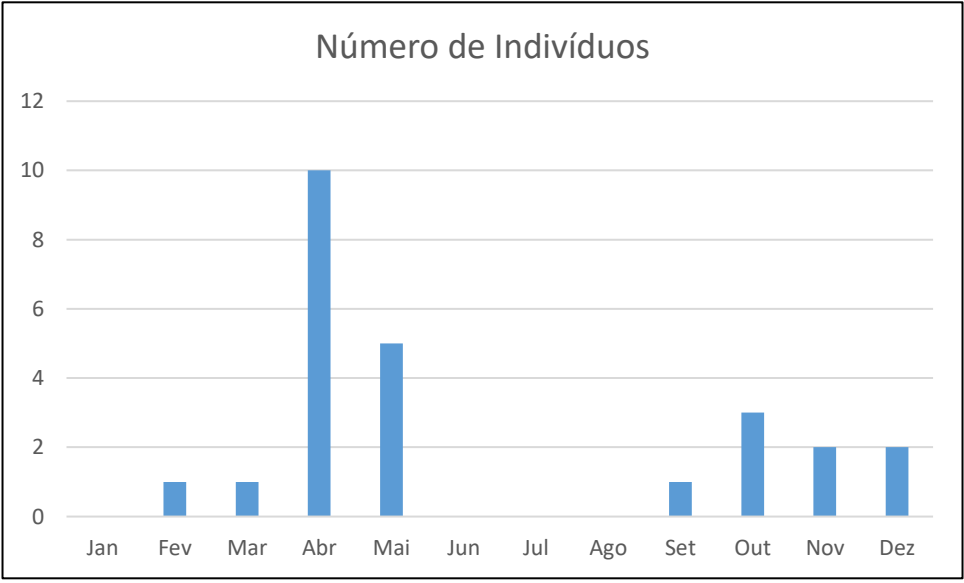

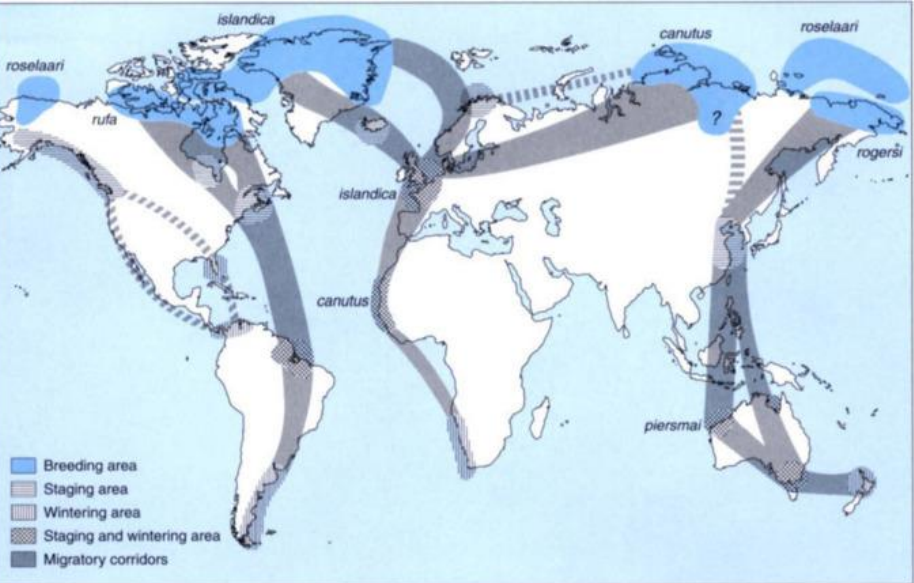

Pinguim-de-Magalhães (*Spheniscus magellanicus*)

20.697 indivíduos
1027 vivos

Maçaricos (*Calidris alba*, *Calidris fuscicollis* e *Calidris canutus*)

C. alba: n=13
C. fuscicollis: n=07
C. canutus: n=05

Alimentação

Mandriões (Gênero *Stercorarius*)

Registros de abril a outubro

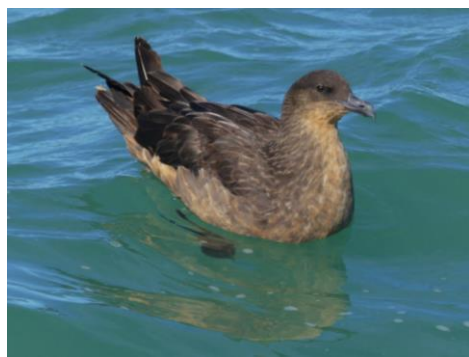

Registros de outubro a maio

S. longicaudus n=06

S. parasiticus n=17

S. pomarinus n=07

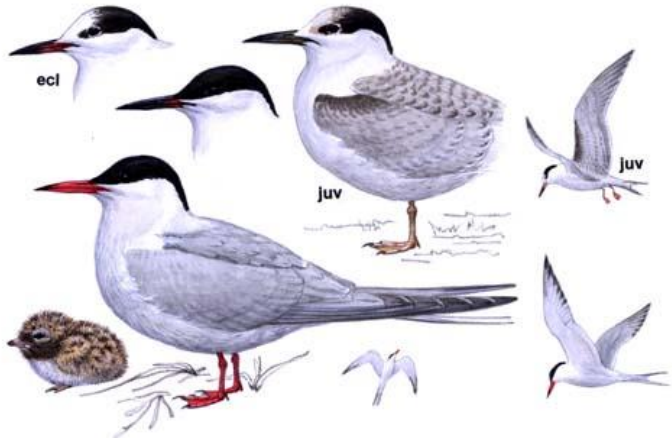

S. antarcticus n=10

S. chilensis n=12

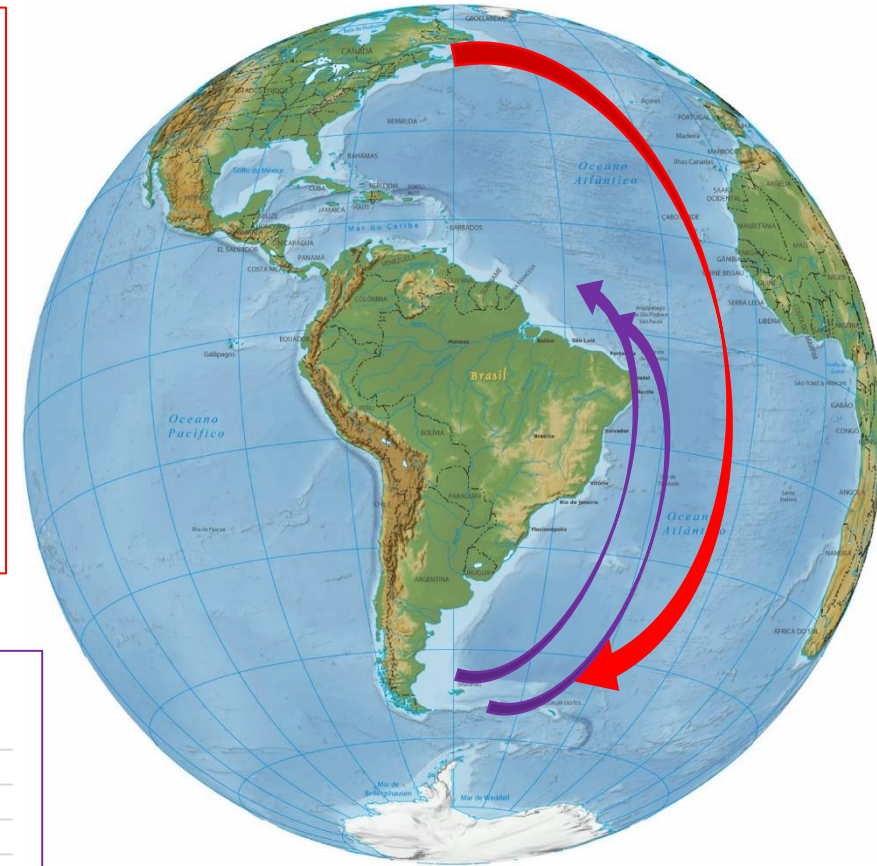

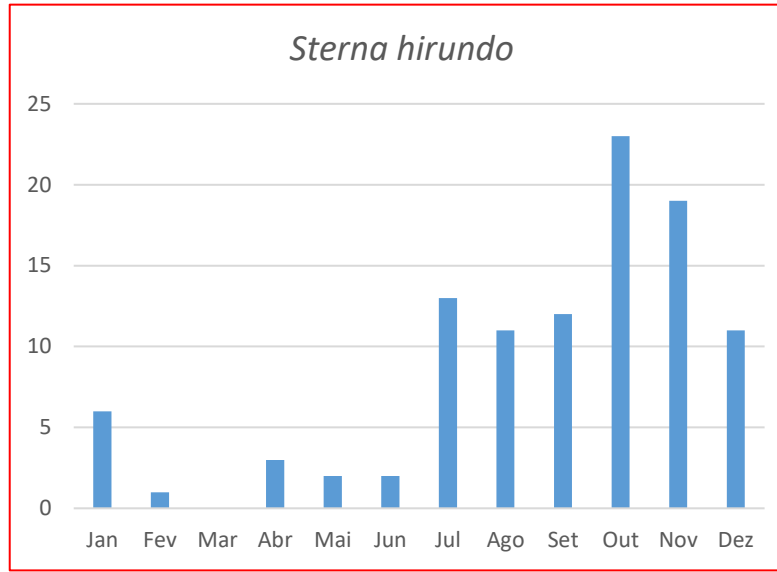

S. maccormicki n=07

Trinta-réis (*Sterna hirundo* e *Sterna hirundinacea*)

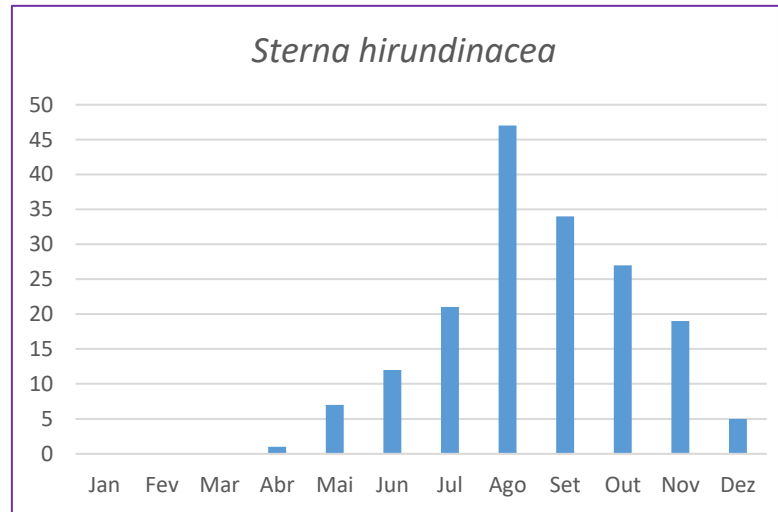

S. hirundo n=103

Fonte: soundapproach.co.uk

- 315 indivíduos registrados
- 26 vivos
- Alimentação
- Ameaças

Número de Indivíduos

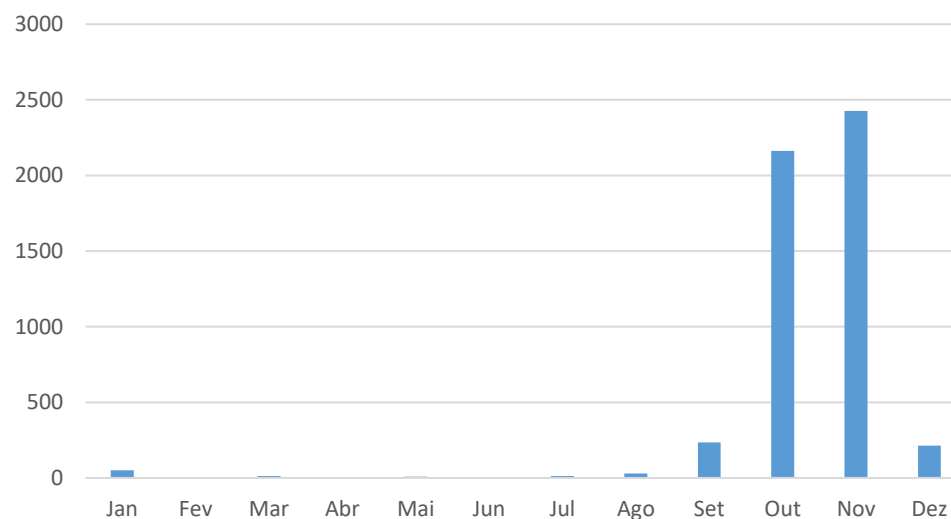

Pardela-sombria / Bobo-pequeno (*Puffinus puffinus*)

Fonte: soundapproach.co.uk

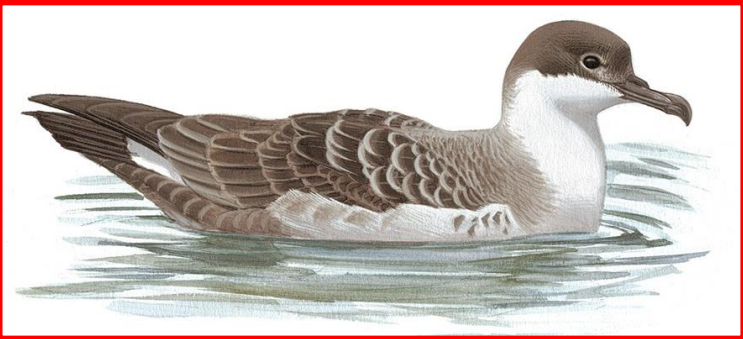

Número de Indivíduos

- 5167 indivíduos registrados
- 452 vivos
- Alimentação
- Ameaças

Pardela-de-barrete (*Puffinus gravis*) e Pardela-escura (*Puffinus griseus*)

Número de Indivíduos

- Petrel-gigante-do-norte
- *Macronectes halli*
- 07 indivíduos
- 03 vivos
- Alimentação
- Ameaças

Albatroz (*Thalassarche melanophris* e *Thalassarche chlororhynchos*)

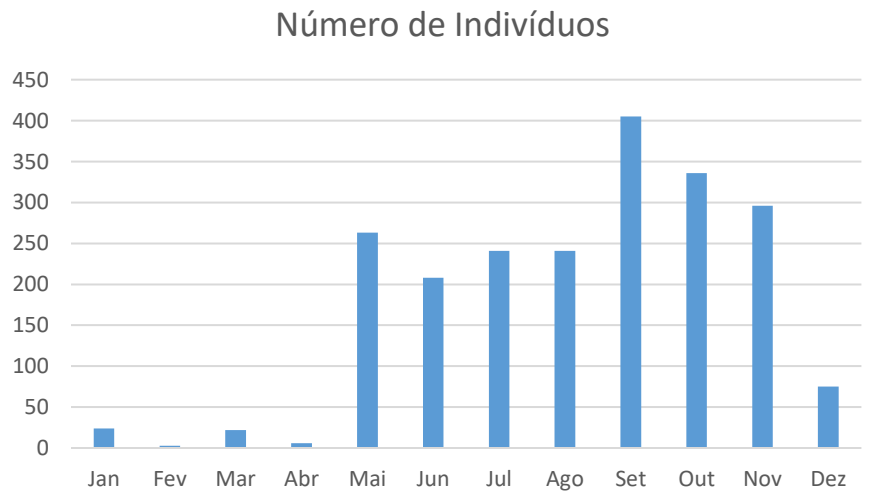

Fonte: Flood 2015.

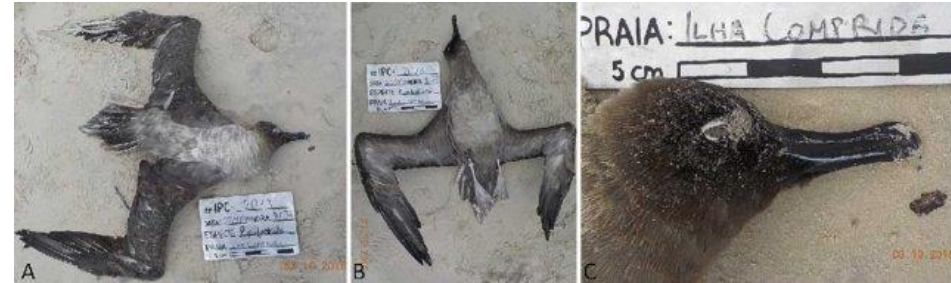

Fonte: Harrison 1983.

- **Albatroz-de-sobrancelha**
- 714 indivíduos
- 22 vivos
- **Albatroz-de-nariz-amarelo** ←
- 1289 indivíduos;
- 22 vivos
- Alimentação
- Conservação

Considerações Finais

- **Objetivo principal do PMP**
 - **Ecologia e Conservação**
 - Dados sobre distribuição
 - Mortalidade
 - Conservação
 - Recuperação de Anilhas
